Noida, Uttar Pradesh, India

Profile

Digital Marketing Executive with 2+ years of experience managing Search, Local, Display & Demand Gen campaigns across international markets. Skilled in campaign setup, keyword strategy, bidding, ad optimization, conversion tracking, and performance analysis, with proven impact on CTR, qualified leads, CPL, and ROAS.

Experience

Digital Marketing Executive

May 2025 – Present

Velocity Consultancy

- Managed Google Ads campaigns and **3L+ monthly budgets** across the USA, Australia, and India for Healthcare, EdTech, B2B, and Local businesses.
- Handled **end-to-end campaign setup and account structuring**, including Search, Local, Display & Demand Gen campaigns, campaign settings, ad groups, keywords, match types, ads, extensions/assets, audiences, and location targeting.
- Performed **search-term analysis, negative keyword management, bid optimization, audience targeting, location targeting, and campaign optimization** to improve lead generation and conversion efficiency.
- Managed admission-focused campaigns for a major **EdTech brand**, promoting universities including **NMIMS, Amity, Jain, and Parul**.
- Increased qualified leads, improved CTR and ROAS, while reducing CPC and cost per lead (CPL) through search-term analysis, negative keywords, bid optimization, and audience targeting.
- Implemented **conversion tracking** using Google Ads, GTM, GA4, and UTM parameters to measure leads, CPL, CTR, and campaign performance.
- Ranked newly launched and established websites across **B2B, Local, and SaaS industries** to top positions in Google SERPs and Map Pack using integrated SEO, GEO, and AEO strategies.
- Developed and implemented **AI SEO, GEO, AEO, and Entity SEO strategies** to improve brand and content visibility across Google AI Overviews, ChatGPT, Gemini, and Perplexity.

Search Engine Executive

Oct 2024 – Mar

2025

Bonum Edesigns

- Executed On-Page SEO strategies including meta optimization, schema markup, internal linking, content optimization, keyword targeting, and search-intent alignment.
- Implemented Off-Page SEO strategies including link building, authority development, competitor backlink analysis, and targeted off-site optimization.
- Conducted technical SEO audits and resolved issues related to indexation, crawlability, website architecture, redirects, metadata, and website performance.
- Optimized Google Business Profiles through category optimization, service updates, local content, citation consistency, and location-focused SEO strategies.
- Conducted keyword research, competitor analysis, SERP analysis, and search-intent research to identify high-value ranking opportunities.
