Noida, Uttar Pradesh, India

Profile

SEO Specialist with 2+ years of experience driving organic growth for **B2B and local businesses** across the **USA, Australia, Canada, and India**. Strong in technical SEO, B2B, SaaS SEO, local SEO, and AI search (GEO/AEO), helping brands rank higher and turn search traffic into qualified leads.

Experience

Digital Marketing Executive

May 2025 – Present

Velocity Consultancy

- Managed 20+ SEO campaigns for B2B and local businesses across the USA, Australia, Canada, and India, spanning Education, Healthcare, Contractors, Professional Services, and other service-based industries.
- Executed Technical, On-Page, Off-Page, Local, and B2B SEO, including crawlability, indexation, canonicalization, XML sitemaps, robots.txt, redirects, site architecture, and internal linking.
- Increased organic traffic by 40% and improved keyword rankings for newly launched and established B2B, Local, and SaaS websites.
- Conducted 100+ SEO audits using Screaming Frog, Semrush, and Google Search Console, identifying issues related to index coverage, duplicate content, broken links, Core Web Vitals, metadata, structured data, crawl efficiency and GTM implementation.
- Performed keyword research, SERP analysis, competitor gap analysis, content-gap analysis, keyword clustering, and search-intent mapping to build targeted SEO strategies.
- Implemented Local SEO, Entity SEO, GEO, and AEO strategies using structured data, entity optimization, topical relevance, Google Business Profile optimization, and location-based content to strengthen visibility across Google Search and AI-powered search experiences.
- Built AI-powered SEO workflows, custom scripts, and n8n automations for daily SEO tasks, including content publishing, GBP posting, reporting, data analysis, and workflow management.
- Managed 3L+ monthly Google Ads budgets across the USA, Australia, and India, owning campaign strategy, optimization, and performance across Search, Local, Display, and Demand Gen to drive qualified leads and improve conversion efficiency.

Search Engine Executive

Oct 2024 – Mar 2025

Bonum Edesigns

- Executed On-Page SEO strategies including meta optimization, schema markup, internal linking, content optimization, keyword targeting, and search-intent alignment.
- Implemented Off-Page SEO strategies including link building, authority development, competitor backlink analysis, and targeted off-site optimization.
- Conducted technical SEO audits and resolved issues related to indexation, crawlability, website architecture, redirects, metadata, and website performance.
- Optimized Google Business Profiles through category optimization, service updates, local content, citation consistency, and location-focused SEO strategies.
- Conducted keyword research, competitor analysis, SERP analysis, and search-intent research to identify high-value ranking opportunities.
